In development

A fourth *Frozen* film is in production.[14] In November 2023, Jennifer Lee revealed that ten projects are in development, including films based upon original ideas.[15] In November 2025, Jared Bush teased that one of Disney Animation's in-development original films would be set in another world and would have a unique animation style.[16][17]

Cancelled projects

Main article: List of unproduced Disney animated projects

Associated productions

This section pertains to films that feature animation and/or animated sequences provided by the studio or produced by a division branch of the main studio. For direct-to-video follow-ups of Walt Disney Animation Studios films, see List of Disney feature-length home entertainment releases. For live-action remakes, see List of remakes and adaptations of Disney animated films.
